AGENDA

DataThon 2024

AIS, promoter of Open Data for Albania in cooperation with the OSCE Presence in Albania, invite you to become part of the final event of the marathon for open and transparent data DataThon 2024.

This year's Open Data Marathon is dedicated to young people and focuses on data on state budgets and public finances.

#Track Data, Open Budgets

At the final DataThon event, each participant will present a topic related to transparent budgeting and participation in the form of graphics, visuals, analysis and civic attitude.
