Headline

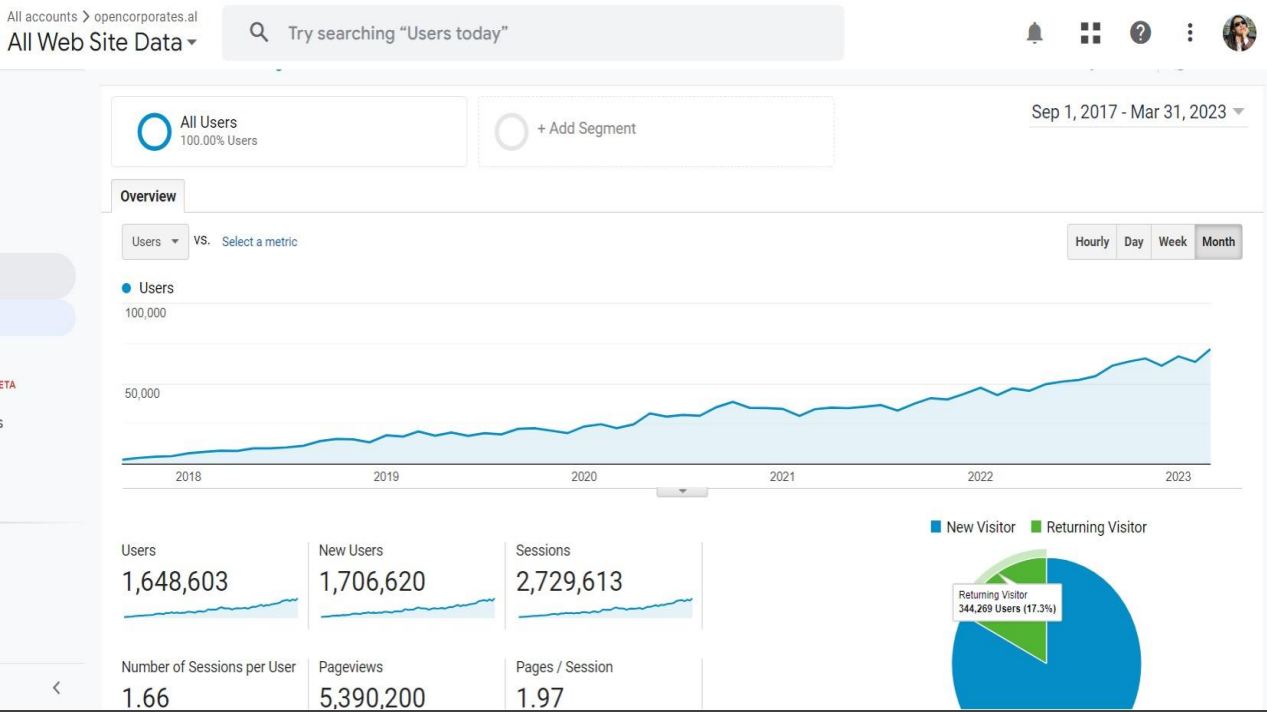

- The Albanian Government, ATRAKO, is tasked with disclosing data on PPP concessions in an online Concession Registry
- Due to a lack of willingness and cyber-attacks suffered in 2022, this registry is not functioning properly (offline)
- OpenCorporatesAlbania remains the best source of information where all contracts, reports, investment plans, legal documents, performance documents, etc., are available

Progress 2021 – 2023

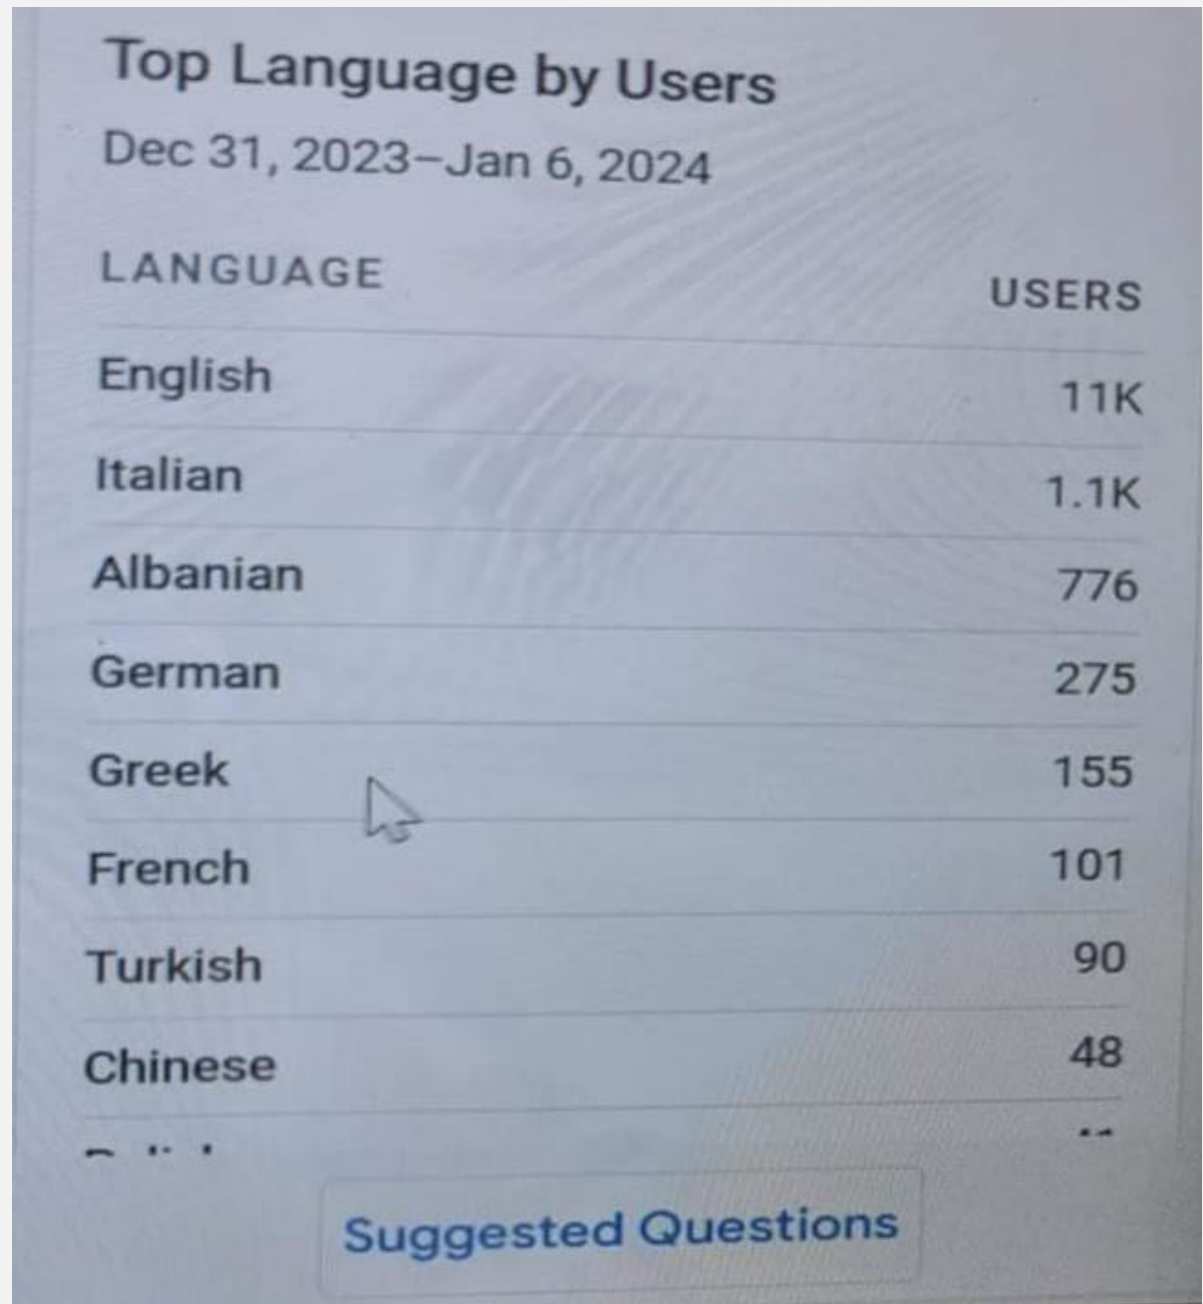

- Information on 286 contracts and PPP Concession companies
- Analysis on Investment and Budgeting Value for each
- Accessible documents
- Evaluation of financial costs and sectoral performance
- Consolidated source with consistent provision of data and documents to the public for the PPP sector

Visibility
